Subject: Correction to letter from San Jacinto Citizens Against Pollution

Dear Mr. Miller: We have discovered that we had a typo in a letter to your office regarding the San Jacinto Waste Pit Project. We inadvertantly identified our group as the San Jacinto River Coalition when we are not affiliated with them. In our request for an extension we made the mistake in the name of our group and we want to correct your record accordingly. I represent the San Jacinto Citizens Against Pollution and not the San Jacinto River Coalition. Though we differ in what we support as a remedial action we have the same goals - preventing the escape of pollutants into the River and Galveston Bay. Please add this communication to the records as we do not want to confuse anyone over our mistake.

Yours truly,

/s/

Thomas Knickerbocker

Attorney for San Jacinto Citizens Against Pollution
